Health & Wellness

Trine University's health and wellness programs enhance our students' overall well-being and empower them to reach their maximum potential.

Located at Quest Hall, the Health Center is staffed by a certified nurse practitioner or physician assistant who can assess and diagnose health care problems, perform physical examinations and treat both minor and acute illnesses, as well as chronic health problems. Our medical providers can also prescribe medication and consult with external providers as needed.

Trine has three licensed clinicians available in its Counseling Center to meet student needs. Our clinicians can provide confidential, short-term personal counseling to all students enrolled at Trine free of charge.

TECHNOLOGY@TRINE

Students can access the Thunder_WIFI network by connecting with their Trine username and password for wireless desktops, laptops, smartphones and tablets. Trine offers general-purpose and high-tech student computer labs to students at no cost. Printers are also available to students to use in the labs and all academic buildings. Hours of the labs change throughout the term due to holidays, breaks and special occasions. The labs in the University Center are available 24/7.
