Engineering Visit Day

Visit us at the Steuben County College Fair on **Wednesday, October 13**

Explore campus with other high school students and their families during a Thunder Preview Day or one of our other special group visit dates. These events are scheduled on a monthly basis throughout the year (listed above). Each event offers panel discussions and presentations about academics, our community, financial aid and admission. You will also have the opportunity to take a guided tour and enjoy lunch in Whitney Commons.

We recommend at least **two visits to Trine**: individual and a Preview Day visit.
