The Trine Promise

is a commitment we make to every Trine student:

that we will provide the highest quality education at the best possible value, and that our support (and your connection to Trine) will not end when you complete your Trine degree. It is based on five pillars:

A distinctive, hands-on, learning environment built on personal attention and exceptional experiences, delivered by a world-class faculty

Robust merit- and need-based scholarship programs that honor your accomplishments and the potential you have already demonstrated

Employment support from Trine's renowned Career Services that begins in your first semester and stays with you for the rest of your life

Living and learning on a beautiful, state-of-the-art campus, immersed in opportunities to connect with classmates and others in a rich student life

Lifelong learning support that allows you to participate (with no credit) in any undergraduate seated or online course at no cost

Trine-built. World-ready.
